

DYSART
CRÉATION

Présentation

Between invention and tradition, Dysart Création tells great stories through pieces of furniture.

Dysart Création is a story of passion and desire. Dysart Création aspires to create an outstanding pieces of furniture, aiming for excellence.. Our desire is to express feelings and sensation, by exchanging views with our customers .

Taught by a renowned company of cabinet making, and a company of luxury joinery, I have been working on major projects for famous french brands and luxury hotels in Paris. Nowadays, Dysart Création offers a unique expertise. Bringing a new eye on contemporary design, we offer a minimalist editorial line, inherited from modernism and scandinavian styles.

Thanks to our know-hows, we are able to offer our customers a large variety of techniques, from wood to metal, stone, glass and leather.

Highly experienced in project management, we gather skilled professionals in order to deliver high quality complex projects.

Dysart Création offers :

Furniture creation and realisation furniture

Residentiel design

EMPRISE : HOMMAGE ROMAN

This piece of furniture is an homage to the past. The goal is to get a new eye and bring our heritage in modernity. It is through studies and homages to the history of ancient furniture's styles that creators get to know them. At all times, creators get inspired by their fathers to paid homage to them.

Presentation

Hanging desk Roman is composed of intertwined forms, symbolising roman churches, powerfull and strong. It is realised with leather and oak, as a reminder of the materials that were used at that time. We can see steel forged neels and large black chains, as a testimony to the famous hinges of this time.

Complementary information :

Two drawers and one shelve behind top.
Made of oak, steel et leather.

Size

Lenght : 1120 mm
Widht : 450 mm
Height : 120 mm

Price: 1950€
+ delivery

FLAMBOYANTE : HOMMAGE GOTHIQUE

Presentation

Dysart Creation brings together tradition and innovation, changing my work for new perspectives. I designed a piece of furniture that symbolises the convergence of tradition and innovation.

The gothic period is of first importance in Europe and especially in France, where it brought a new aesthetic, fitted constructions and new building techniques.

Complementary information :

Made of oak, glass, corian and leather.

Révélation

Presentation

This piece of furniture plays with the constraints bound by our material life style, I offer an object that adapts itself to your moods rather than establish itself on a pre-determined use. It is composed of many parts, one in lycra, so it can adapt to the form of the objects you want to leave inside, an other one in stone leef, and a last one in ebony. Designed for your entrance, or a room of transition between the inside and the outside.

Complementary information :

Made of three boxes supported by a black steel structure

Size

Lenght: 1200 mm

Widht: 400 mm

Height: 950 mm

Price : On request

Eveil

Presentation

Eveil aims to break the table bedside codes to offer a new eye than standard tables.

It suggests a new kind of relation between the table and its users, surprising them when it reveals its mechanisms. The capacitive captor lock invites the users, by a simple caress, to discover its secrets. *Eveil* is a bedside table with a minimalist design, ingenious, shaped for the hand.

Complementary information :

With capacitive captor or RFID

Automate penning

One case for book and one for small objects

Customizable

Gainerie 91

Presentation

Gainerie 91 is a project borned from the cooperation between Dysart Création and the young talented designer Marion Fraudeau.

Our duet answered a project of the brand Gainerie 91.

We presented this luxury case designed for a wacth. It tends to revisit luxury codes.

Complementary information :

This box is made out of ebony, cardboard, leather and brass for lock.

Customizable depending on the watch

Size

Lenght: 130 mm

Widht: 110 mm

Height: 90 mm

Price : On request

Elixir

Presentation

This liqueur suitcase is like a safe chest protection that hides its contents. It closes with a butterfly lock, so it opens like a butterfly. It is made of brass with a precious wooding belt . On opening, the gilding inside show up its contents.

Complementary information :

Projet en cours de développement.
Éclairage et dorure à la feuille à l'intérieur

Size

Lenght: 450 mm
Widht: 400 mm
Height: 600 mm

Price : On request

Luminaries

Dysart Création presents you a collection of lights made out of shagreen. Through a process applied on this shark leather, the light shines through all the little pearls of this elegant material. Through these magic lightings, Dysart Création invites you to a dreaming journey.

Price : On request
